December

This year's offer of cultural, sports or recreational events prepared by the city of Elk is outstanding. The capital of Masurian region provides excellent entertainment and the possibility of active recreation.

Among the most interesting events there are the extreme RUNMAGEDDON, Elk „Fire and Water Festival”, X Masurian Balloons Competition, TĘCZA / RAINBOW Folklore Festival and MULATKA Summer Cabaret Festival. People who prefer tough sports will be able to watch Professional Boxing Gala and Masurian Gala MMA – Gala of Mixed Martial Arts.

Elk will be one of the most music - oriented cities in Warmia and Masuria, with concerts of Stanislaw Celińska, Robert Kasprzycki, Voo Voo, Bovska, Natalia Nykiel, Margaret, Magda Umer, Doda, Anna Maria Jopek and Marcin Pyciak. Additionally there will be something new this year: the Jazz Festival and also the weekly dances at the sun clock (on the square with the water nymph) with music played live by artists from Elk. Elk invites to take part in Masurian Cinema under the Stars every sunny Tuesday in July (outdoor watching the movies free of charge).

Thinking about hunters, foresters and wildlife lovers we have Hunting Festival (September 9th). We mustn't forget about 13th President's Ladle Competition, Frutti di Lago and Regional Honey Festival.

The city has prepared numerous attractions for children. One of the main events is, of course, the National Children's Day, during which the youngest will receive souvenirs and will be able to enjoy different kinds of entertainment.
